Report of Superintendent

To the Superintending School Committee and the Citizens of the
Dummer School District:

FOREWORD

This report is being made at a time when the world is engaged in a great struggle between the ideologies of the democracies and that of the totalitarian governments. In this hour of world crisis when the rights of freemen everywhere are being threatened with destruction, it is mandatory that we pronounce in a positive and unmistakable manner our belief in the Democratic Way of Life. We must not let anyone forget that liberty involves and requires the highest degree of individual and group responsibility. The stronger the thrust against us—the stronger must be our conviction and appreciation of our heritage.

We have said that democracy cannot exist without education. The opposite is also true. Education cannot grow and flourish without democracy. The schools must be our citadels of democracy in war or in peace.

Children are shaped by the entire community. Within the neighborhood are hundreds of forces that impinge upon them. In our hands, as parents and citizens, rests the obligation to see that on the home front the foundations of morality, religion, and culture are strengthened. We must strive to rise to the demands of a tremendous present, of a fateful future, as we face our task. The future of our country is in our hands.

TEACHERS

Madeline Lary and Gwendolyn Jones both return to teach in the district this year. The only change is that Miss Lary is teaching at the West Dummer School and Mrs. Jones at the Willis School.

NOTES ON THE BUDGET

The School Board's total budget for 1951-52 is \$14,525.00 as compared with \$14,777.50 for 1950-51. You will recall that last year's budget was changed at the annual meeting to \$13,157.50, of which \$12,977.50 was raised by local taxation.

The larger requested appropriation is traceable to three items; anticipated higher high school tuition costs, increased salaries to

the teachers, and the retirement assessment. It is expected that we shall have more pupils in the high school next year and the tuition rate is to be higher. The anticipated increase in teachers' salaries, while much lower than the state average, is in keeping with most of the smaller North Country districts. The added retirement is an obligation placed upon the district by the last legislature.

ENROLLMENT AND ATTENDANCE

There are at this writing 35 enrolled in the two schools; 14 at West Dummer and 21 at the Willis. The total enrollment is just two larger than for the past two years when it was 33.

BUILDINGS AND EQUIPMENT

The two school houses are for the most part in good condition. During the summer months, the usual cleaning, repairs, and improvements were made. A preliminary examination would seem to indicate that the front steps at the West Dummer School are badly rotted underneath and should be replaced.

New cloth curtains have been purchased for the West Dummer School and both buildings are fairly well equipped. The purchasing of new pupils desks for the West Dummer School is still being postponed due to the present high cost of these units.

DEBT

The School District debt now stands at \$1,500.00. The payment of \$500.00 has been anticipated in making up the budget. At the present rate of payment the debt will be liquidated in two more years.

TUITION

With the opening of school in September we had 13 tuition pupils at Berlin High School. Of these, one is a Senior. There are five pupils in grade 8, so all indications are for a larger number of tuition pupils in 1951-52. The new tuition rate has been set at \$200.00.

SCHOOL CALENDAR

It is proposed that the School Board adopt the following school calendar for 1951-52.

Fourth Term (34 days)

School Year, 180 days.

CONCLUSION

The schools are the community's opportunity for reaching all the children of all the people. It is our duty to provide their education, not education merely in terms of books, credits and diplomas, but education in terms of preparation for living and earning.

I take this opportunity to express my appreciation to the members of the School Board, parents, teachers and citizens for the support and cooperation they have given the schools during the past year.

Respectfully submitted,

ALBERT P. KNIGHTLY,

Superintendent of Schools.
